CW10T – Professional Shears

Current – W10T

Precision-Cut Blades

Feature Ti-Coated premium-grade steel and are precision-engineered for knife-like cutting edges

Offset Handle Design

Keeps hands above material for safety & easy table-top cuts

Touch-Point Ergonomics

Optimize hand & finger contact points in handles to maximize fit, control, and user ergonomics

Titanium-Coated Blades

Provide corrosion resistance and are 3X harder than steel for durability & tool life

Control-Channel

Accommodates index finger for increased control and cutting stability

TPR Comfort-Grip Handle

Is strategically textured using soft-grip TPR to provide best-in-class user comfort and control
