

BGS Digital Tyre Pressure Gauge & Tyre Depth Gauge | "2-IN-1"

- ideal tool for easy measuring tire pressure and tread depth
- tire pressure gauge with LCD display
- display background ensures optimal display of air pressure even in the dark
- profile depth gauge in the handle comes with metric and inch display
- lightweight type
- compact structure
- resolution: 0.05 Bar (0.5 PSI)
- measuring units: PSI, BAR, kPa, kg/cm²
- auto power off: about 85 seconds after last measurement
- battery: 2 x 1.5V, LR44
- storage temperature: -10 - 55 °C

Weight: 0,130 kg.
